Dear Parent,

We hope this letter finds you all well. It has been an extremely difficult 18 months for everyone and as a group we have been unable to organise any events to raise vital funds to support the children in our school.

This letter is just to let all our families know that we are back as a parent support group, and we are working hard to start fundraising again – all of which will be in line with the latest Covid-19 guidelines.

We will be in touch very soon with our first project and hope that you will be able to support us again.

Finally, we need new members to keep the PSG running, so if any of you would like to join, please feel free to chat to one of us.

Thank-you.
